Seventeen men gave of themselves this year for their school and their community. They were an unselfish team who travelled a long road, sharing the joys and heartaches of the 1973-1974 basketball season. Each was concerned with the welfare of his teammates.

"For each of them, the most important thing in living was to reach out and touch perfection in that which they most loved to do."

—Jonathan Livingston Seagull

Because of the love and dedication shown by these men both on the basketball court and in everyday life, we dedicate the 1974 *Wahian* to:

Bob, Tom, Scott, Tom, Tim, Jack, Ron, Dave, Greg, Chris, Mitch, Mike, Ron, Nelson, Scott, Danny, and Coach Dan.

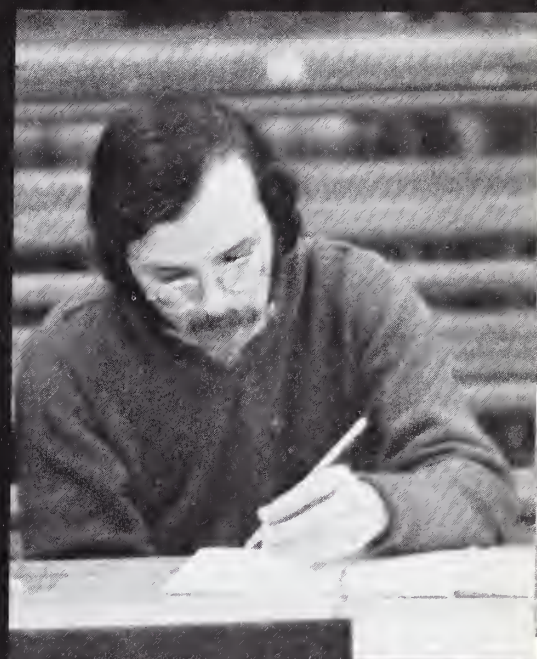

... and this is the Table of Contents. But it is not the beginning of the Wahian, just as the Index is not the end. The book begins with '... and' and ends with 'and ...' because no experience ever really starts or stops. There is always something more to say after all is said and done. # BHE Receives First Place for Parade Entry

... Mr. Coberley, Angie Darzes, Dave Sprague and one of the trophies ...

... the winning parade entry ...

... Chris Panagos and Doug Baird admire the trophy ...

... Again this year, the BHE Hog Festival float was a winner. The float's motto "The price of meat is suicidal" enabled us to win first place for the float that best depicted Hog Days ...

In addition, the float's constructional beauty won the 1973 Hog Days Parade Sweepstakes which means we were considered by the judges as being the best float in the parade ...

The float was constructed at Dr. DeCabooter's home. Those who helped in the presentation and construction were as follows: Dr. DeCabooter, Ted Coberley, The Cravattas, Fred Bennett, Doug Baird, Angie Darzes, Deb Ritenour, Diane O'Neill, Millie Whitmer, Gus Panagos, and Chris Panagos ...

... two more trophies to add to the trophy case ...

# A Weekend of Pleasure at Six Flags

... on the weekend of September 29 and 30, a group of BHE students and faculty departed on a trip that included two days at Six Flags and an evening trip to the St. Louis Arch.

The group left from the East Campus the morning of Saturday, September 29. The afternoon was spent at Six Flags and in the evening the group took a tour of the St. Louis Arch.

Sunday, the BHE group returned to Six Flags for another afternoon of entertainment including the added attractions of singer Ann Murray in concert and a rain storm.

The group departed from Six Flags Sunday evening at 6:00 P.M. and returned to BHE about 11:00 P.M. ...

... a few students had their eyes on rain while others had their eyes on other things ...

... no words can express the fun and the thrill of a Six Flags' ride ...

... this group will agree that the Six Flags trip had been a real eye-popper ...

... you could walk down this watery lane while singing in the rain ...

... you meet the nicest people at Six Flags ...

# Whole Hog BBQ Stimulates Hearty Appetites

... Mr. Postier and Mr. and Mrs. Coberley toast a successful barbecue ...

... much care is taken in preparing the pork ...

... a delicious dinner and an enjoyable time ...

... Black Hawk East was the scene of another Whole Hog BBQ, and as before, it was a success. The students did most of the work by handling ticket sales. Student Senate picked up people from the High Rise and the Nurses helped with the serving of food. It is a special event which faculty and students contribute to.

The hogs are cooked at the campus, while the other food is catered. Veda Townsend contributed her services by handling the food preparations.

The turnout for the BBQ was approximately 700 people. The profits received are then used for \$50.00 scholarships, given to the students.

Comments on the BBQ: Rod Lorensen "The scholarships are substantial, and people generally appreciate getting them." Dave Sprague (student chairman two years for BBQ) says, "The BBQ is beneficial in seeing the students and faculty work together; also bringing the people out from the High Rise is rewarding to see the people enjoy themselves." He also adds, "The whole event takes a lot of work, and the last minute preparations at 5:30 may result in a finger being added to the cole slaw." ...

... Mr. Sams takes a big bite ...

# Women's Basketball Rests in Peace, Again

... Women's Basketball is an organization which was started in the spring semester of 1973. The sport was of great interest at first, but gradually the interest dissipated. During the fall semester of 1973, the sport once more rose from its grave. Again, the sport was put to rest because of the lack of interest by the girls from BHE and support from the school. The girls who were dedicated and interested enough to come to practices at the Armory two nights a week enjoyed the fun times, even though no games were scheduled or played. BHE needs more sports for girls and, in time, girls will have a place in the sports world at BHE without being shot down ...

The Black Hawk College Board of Trustees

The Black Hawk College Board of Trustees met on the third Tuesday of every month. Their meetings involve discussing budget up-dates, approving and ratifying expenditures, approving new

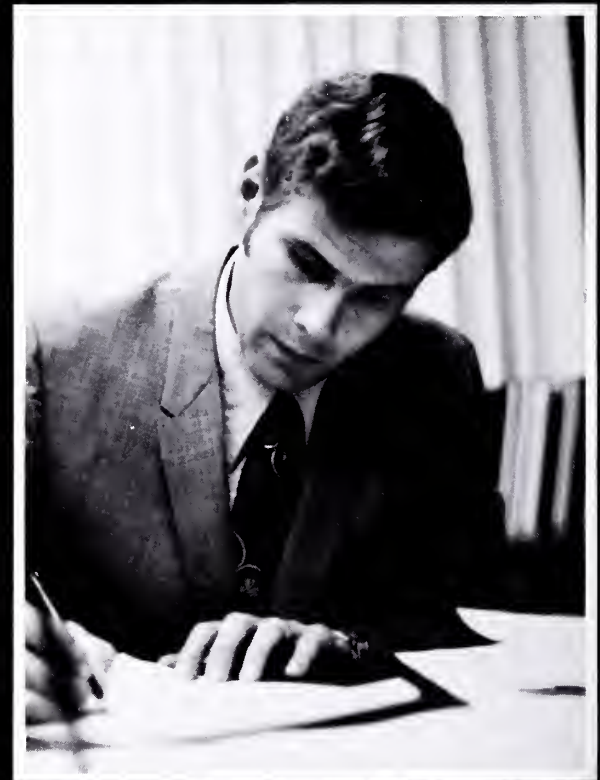

curriculums, approving promotions, and so forth. The list of their duties is seemingly endless, but Board members perform them effectively as elected representatives of the community college district.

#### DR. MAX F. WINGETT

Vice President for Academic Affairs and Provost

Dr. Max F. Wingett is the Vice President for Academic Affairs and Provost of the East Campus. He returned on July 1, 1973, from his sabbatical leave at Indiana University where he received his doctorate in Administration and Higher Education. Dr. Wingett received his B.S. from North Central College and his M.S. from Indiana State University prior to his doctoral work.

This year, in addition to his many administrative duties at the college, Dr. Wingett taught the Tennis class.

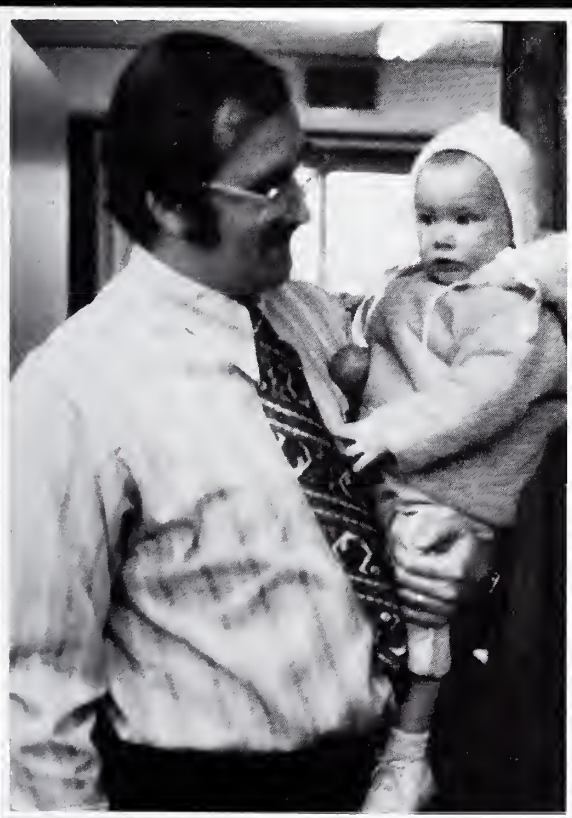

The members of the Board of Trustees were: Frank Hayes, Moline—Chairman; Alban E. Reid, Rock Island—Secretary; Kenneth Moburg, Moline; Stuart R. Lefstein, Rock Island; Julian C. Stanley,

Jr., Rock Island; Gust Lundberg, Kewanee; Warren Hadley, Cambridge; John R. Raschke, Geneseo; and Student Member for 1973-1974 Timothy Kirley, Kewanee.

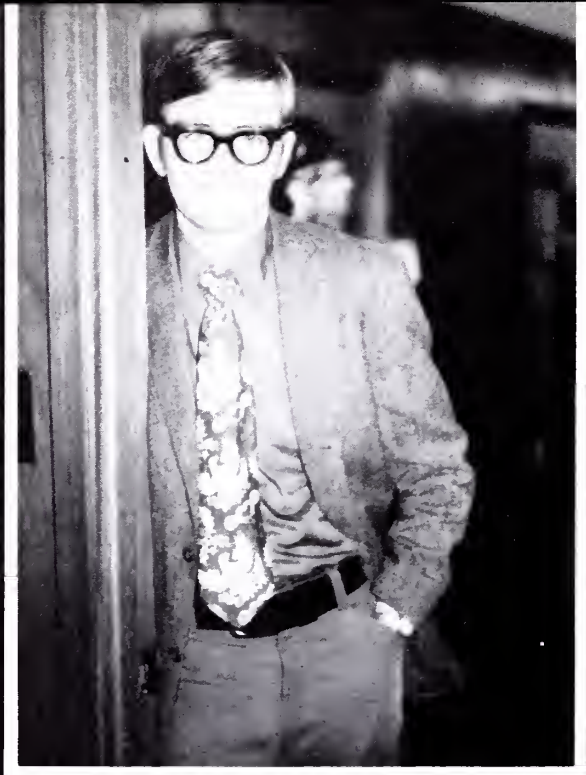

#### DR. ARTHUR W. DeCABOOTER Dean of Student Services

The Dean of Student Services at the East Campus is Dr. Arthur W. DeCabooter. He received his A.A. degree from St. Gregory's College in Shawnee, Oklahoma, and his B.A. at St. John's University in Collegeville, Minnesota. He then went on to earn his M.S. and Ed.D. degrees at Indiana University in Administration and Higher Education.

Dr. DeCabooter coordinates Student Activities and Registration, working closely with the Counselor and Admissions Specialist. He also taught Physical Conditioning (P.E. 101 and 102).

**MR. FRED STAHL**  
Dean of Instruction

Mr. Frederick Stahl is the Dean of Instruction at the East Campus and a portion of his work includes coordinating Adult Basic and Continuing Education in the area. He received his B.S. and M.A. degrees at Illinois State University and has done additional work at the University of Illinois.

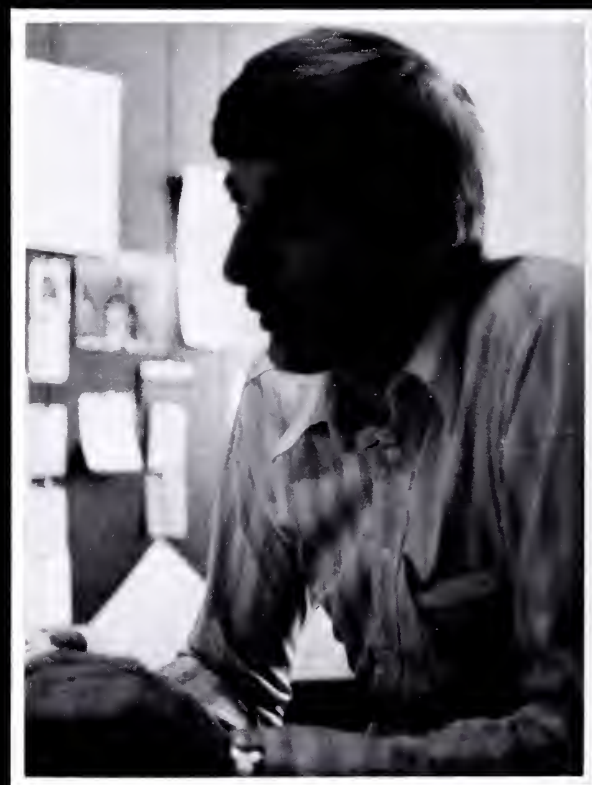

Mr. Stahl is in charge of monitoring and structuring all instructional areas on campus. He aids in the development of curriculums and courses. He also works on various surveys and advises the instructors on campus whenever necessary.

**MR. DAN THORNTON**  
Athletic Director

Dan Thornton, Black Hawk East's Athletic Director and Coach, teaches Health and Physical Education classes. He received his A.S. degree from Oklahoma State Tech (Okmulgee), his B.A. from Creighton University, and his M.S. from the University of Nebraska at Omaha.

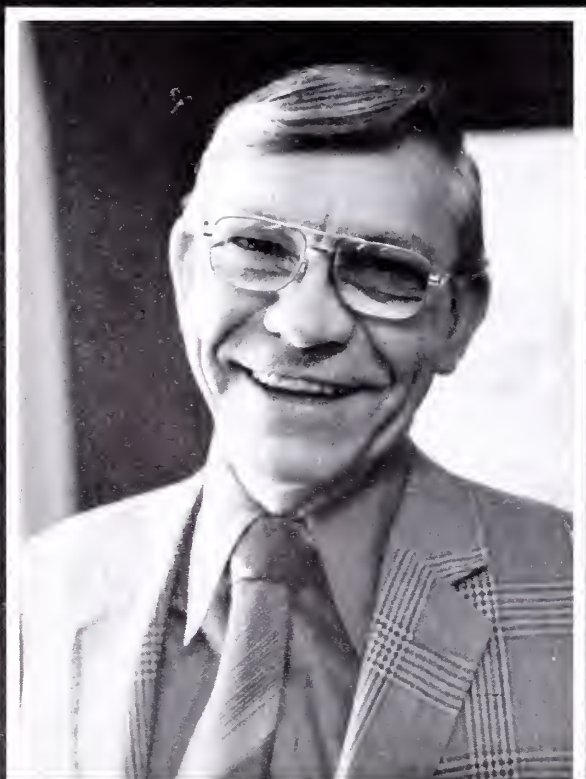

In his spare time, he is involved with Jaycees and Kiwanis. Prior to teaching at BHE, Mr. Thornton served for two years as assistant coach at Creighton.

Concerning the size of the college, Mr. Thornton says that BHE is "small enough to relate to our students, yet large enough to do an educational job for the students."

**MR. DALE SWANSON**  
Supervisor of Business Affairs

Mr. Dale E. Swanson is the Supervisor of Business Affairs at the East Campus. He attended the Kewanee Business College in Kewanee. He is in charge of the college Bookstore, all tuition accounts, scholarship funds, and so forth. He is also the Director of all Classified Personnel. Mr. Swanson is the superintendent of the college Buildings and Grounds and the maintenance and development of them. Another major job of Mr. Swanson's is purchasing. He also prepares reports and statements for the state and district. His duties are many and varied, and Mr. Swanson is ALWAYS busy!

MR. TED COBERLEY  
Counselor

Theodore Coberley serves as counselor at BHE and probably is the faculty representative most familiar to most students. He is almost always in or near the Student Center, where his office is located. Ted is always willing and certainly qualified to counsel students regarding registration, classes, and/or personal problems.

Ted received his B.S. from Illinois State University and his M.S. from the University of Wisconsin at Stout. During the second semester, Mr. Coberley taught Marriage and the Family (Sociology 251).

MR. LAWRENCE ZIMMERMANN  
Director of the Learning Resources Center

Mr. Lawrence Zimmermann is the Director of the Learning Resources Center. He received his B.S. from Northern Illinois University and has done additional work there. He orders books, periodicals, and audio-visual materials to be used in the L.R.C. When materials arrive, Mr. Zimmermann supervises their processing, cataloging, and distribution.

MISS KATHY STEWART  
Admissions Specialist

Miss Kathy Stewart was hired to fill a new position at BHE. Miss Stewart's official title is "Admissions Specialist", and her job is composed mainly of recruiting students. She is also involved with registering students. Miss Stewart attended Student Senate meetings and became involved in many student activities.

She graduated from Kewanee High School and Black Hawk East, and then went on to Illinois State University, where she received her B.S. degree in Physical Education.

MR. LANNY ANDERSON  
Agriculture

Lanny Anderson, Assistant Professor in Agriculture, taught Farm Machinery, Management, Materials Handling, Advanced Farm Machinery Management, and Marketing. Mr. Anderson received his bachelor's and master's degree from the University of Illinois. He has also earned twenty hours towards an advanced certificate.

Besides his full-time teaching job, Mr. Anderson is engaged in part-time farming and enjoys traveling. He also tries to keep up with changes in new farm machinery.

He feels that BHE is fortunate to have such good faculty/student relations, and also to be able to offer new courses which change with new technology to remain relevant.

MR. ELDON R. AUPPERLE  
Agriculture

A well-known personality on campus is Eldon R. Aupperle, who is an Associate Professor and Coordinator of Agriculture. He received his B.S. and M.S. degrees at the University of Illinois, and has done additional work towards his advanced certificate.

Prior to his teaching at BHE, Mr. Aupperle was a high school vo-ag instructor and was in the Personnel Development and Sales Training Department of W.R. Grace and Company. Besides his work at BHE, he enjoys miniature golf, gardening, and being involved with youth groups and agriculture committees.

Mr. Aupperle commented that the main advantage for the incoming freshmen is that there are "young, well-educated, energetic agriculture faculty with personal interests in each student and his successes."

MR. D. J. BUGOS  
Agriculture

D. J. Bugos, Instructor, taught Ag Math, Ag Feeds, and Nutrition, and Advanced Farm Management. He received his M.S. degree in Animal Science. Prior to teaching at BHE, he raised purebred Hampshire Hogs, and farmed near Alpha, Illinois. In his spare time, Mr. Bugos enjoys free-lance photography, flying, canoeing, and horses.

He related that his limited stay at BHE (having joined the faculty only in January of 1974) qualified him to comment on only the Ag program. He was impressed with "the quality and dedication of the ag staff and the first-class students whose enthusiasm was boundless."

MR. DAN HOGE  
Agriculture

Assistant Professor Dan E. Hoge worked at the University of Illinois Ag Extension Office previous to accepting his teaching position at BHE. He taught Animal Science and Farm Management. Mr. Hoge received his B.S. in Agriculture from the University of Illinois where he also received his M.S. degree in Animal Science. He is a professional livestock judge, and is involved in the swine business.

MR. RON RABER  
Agriculture

Assistant Professor of Agriculture, Ron Raber, taught Crop Production, and Soils and Soil Fertility besides placing and supervising students in work experience. Mr. Raber received his B.S. degree from Illinois State University, his M.S. from Southern Illinois University, and has done additional work at the University of Illinois.

Prior to his teaching career, Mr. Raber was the manager of Foundation Seed Production of Funk Seeds International in Bloomington. He is also a director of the Kewanee Jaycees and enjoys sports.

He feels that the main strengths of BHE are: (1) the Agriculture program, and (2) the Aggies!! Mr. Raber feels that the one weakness in the school is lack of student interest in school activities (except, of course, the Aggies!!)

MRS. MARY HARTLEY  
Biology and Chemistry

Instructor Mary Hartley taught Biology 105 and 106, Ecology 205 and 206, and Chemistry 110 and 111. She received her master's degree from Western Illinois University, in Zoology. In her spare time, Mrs. Hartley enjoys canoeing, riding, farming, and gardening. She feels that BHE students are fortunate as they receive "individual attention and the teachers' sincere interest in their students."

**MRS. CAROLYN BEECHLER**  
Business

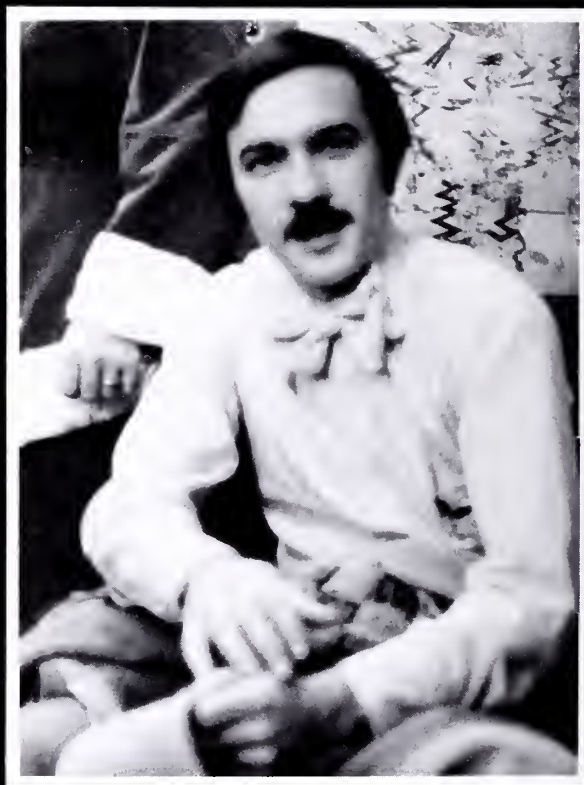

Instructor Carolyn Beechler taught Office Occupation courses. She received her bachelor's degree from Western Illinois University and her master's degree from Michigan State University. Mrs. Beechler has also done additional study at the University of Missouri, Southern Illinois University, and the University of Illinois.

Prior to her teaching at BHE, Mrs. Beechler had three years of secretarial experience. In addition to her position at the college, she enjoys reading and spectator sports.

**MR. MICHAEL J. CRAVATTA**  
Business

Instructor Michael Jaye Cravatta, who taught Typing, Business Communications Seminar, Economics, Accounting, and Internship Seminar, feels that a very definite strength of BHE is the program of individualized instruction. Mr. Cravatta received his A.A. from Clinton Community College, his B.S. in Business Administration from the University of Dubuque, and his M.S. in Business Education from Eastern Illinois University. He has done additional study at Western Illinois University.

Prior to teaching at BHE, Mr. Cravatta worked as an accountant at Standard Brands, Inc., and at Skelly Oil Company. In his free time, he involves himself with the Kewanee Jaycees and the Henry County Youth Services Bureau, and he enjoys golf and tennis.

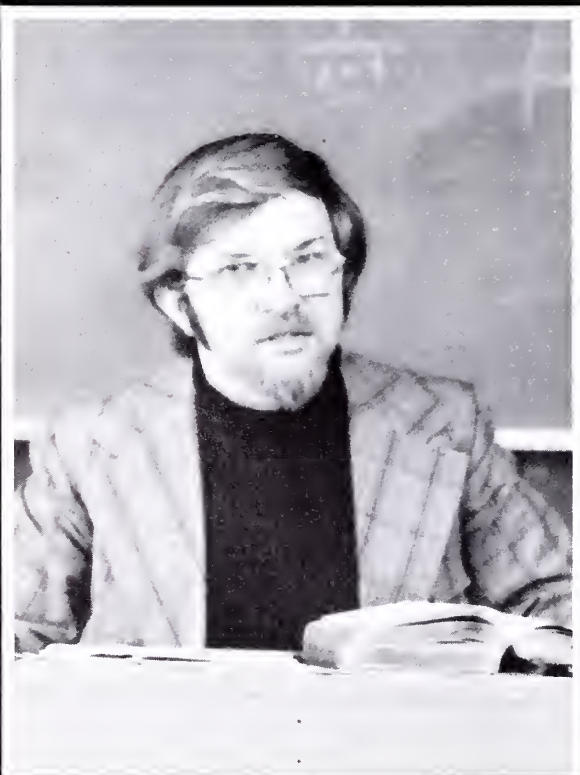

**MR. DAVID L. BRADBURY**  
English, Journalism, and Drama

Assistant Professor David L. Bradbury taught English 102, American Literature, Newspaper, Yearbook, Drama, and team-taught Modern Fiction and English Literature. Mr. Bradbury received his A.A. from Grand View College, his B.A. from Drake University, and his M.S. from Illinois State University. He has done additional work at the London Center of Economic and Political Studies.

Before coming to Black Hawk East, he taught high school for four years. In his spare time, he likes to travel, experiment in photography, and attend plays.

He feels that the main strength of BHE is also a major weakness. Although the "small numbers at BHE provide opportunity for faculty and students to deal with each other as individuals," it also "limits opportunities for wide educational and cultural offerings."

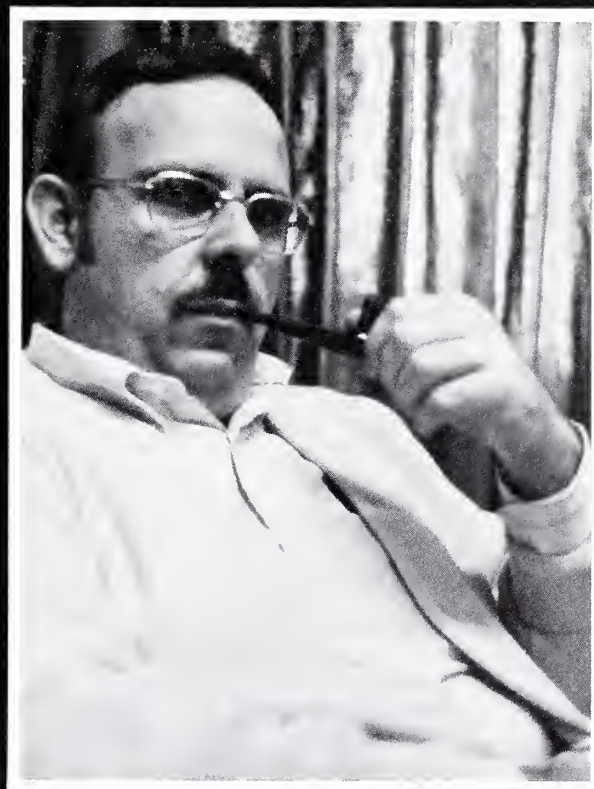

**MRS. LYNDA WILLIAMS**  
English

Lynda Williams, Assistant Instructor, taught English 101 and 102. She also team-taught English Literature and Modern Fiction. Mrs. Williams, an alumnus of Black Hawk East, received her B.A. from Bradley University.

**MR. KENNETH MAGUIRE**  
History, Sociology, Anthropology

Assistant Professor Kenneth E. Maguire taught U.S. history, Afro-American history, Sociology, Physical Anthropology, and Cultural Anthropology. He received his Associate's degree from Broward Junior College in Ft. Lauderdale, Florida, and his B.A. from Eastern Kentucky State College. He then received his M.A. from Eastern Kentucky University, and has done additional work at the University of Colorado. In his spare time, Mr. Maguire enjoys photography, golf, and tennis.

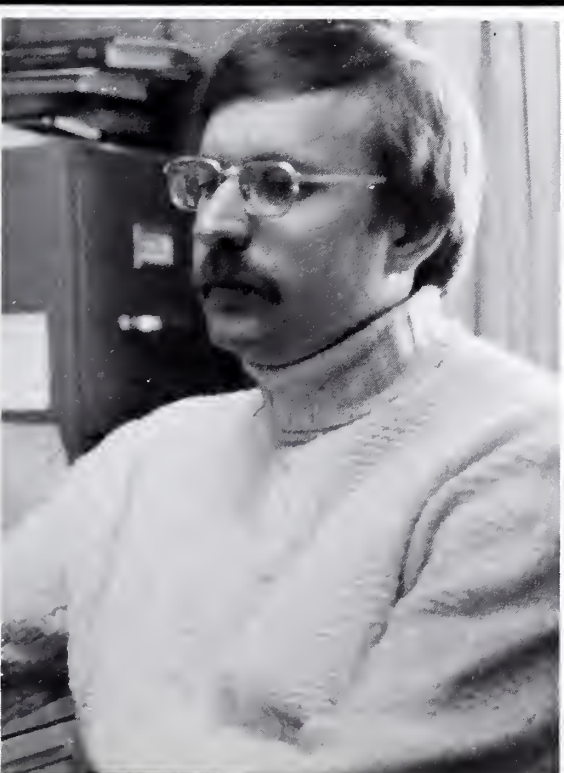

**MR. STEPHEN SAMS**  
History, Government, and Sociology

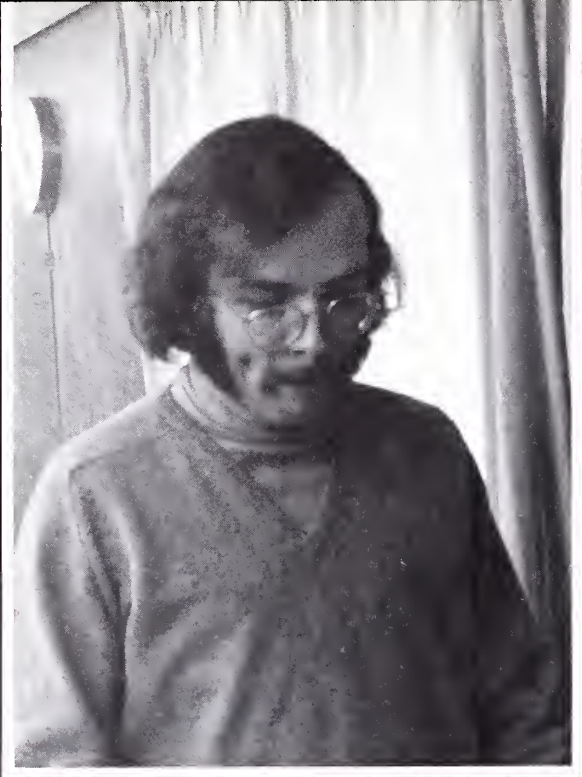

Assistant Professor Stephen R. Sams, taught History of Western Civilization, History of England, Federal Government, State and Local Government, and Social Problems.

During the summer of 1973, he traveled to Europe to study at Oxford University. This added hours to his B.A. received from Illinois Wesleyan University, his M.A. from the University of Iowa, and his additional hours earned at the University of Illinois, Western Illinois University, and the University of Missouri.

Besides traveling, Mr. Sams enjoys tennis, and volunteering his services at the Youth Services Bureau. Included in his list of strengths of BHE, Mr. Sams notes the student/faculty ratio, innovative courses, and a winning basketball team. Under weaknesses, he lists only "a lack of streaking".

**MR. KIRK POSTIER**  
Mathematics

Kirk Postier, Instructor, taught Math and Geology. In his spare time, he enjoys golf, basketball, tennis, volleyball, photography, and was involved in the Knights Drum and Bugle Corps. Mr. Postier received his B.S. from Wichita State University and his M.S. from Ohio State University, where he has also done additional study. Among his extra-curricular activities, Mr. Postier was nicknamed "Guardian Angel of the Cheerleaders".

**MISS LAURA GRIGUS**  
Mid-Management

Instructor Laura Grigus taught Advertising, Business Math, Introductory Business, and Management. Having attended Northern Illinois University, she received her Bachelor's degree in Marketing and Journalism, plus a Master's degree in Business Administration. When asked how she liked BHE and the surrounding area, Miss Grigus replied, "I like the people. They're very friendly. They all try to make you really feel at home . . . It's a nice community spirit."

**MRS. CONSTANCE HERRICK, R.N.**  
Practical Nursing

Constance D. Herrick, Instructor in Practical Nursing, received her B.S. degree from Wheaton College. She was involved in public health nursing prior to her teaching position at BHE, along with being an Instructor/Director of the Student Health School of Nursing, and a staff nurse and supervisor at Rockford Memorial Hospital.

In her spare time, Mrs. Herrick enjoys reading, sewing, knitting, gardening, and is involved in church boards and is on the Advisory Board of the Kewanee Day Care Center.

Mrs. Herrick praises BHE for its personal interest in students, the "family feeling", the variety of courses, and SPIRIT! She feels that the college's obvious and most immediate weaknesses are its size and physical facilities.

**MRS. JUDITH TYLER, R.N.**  
Practical Nursing

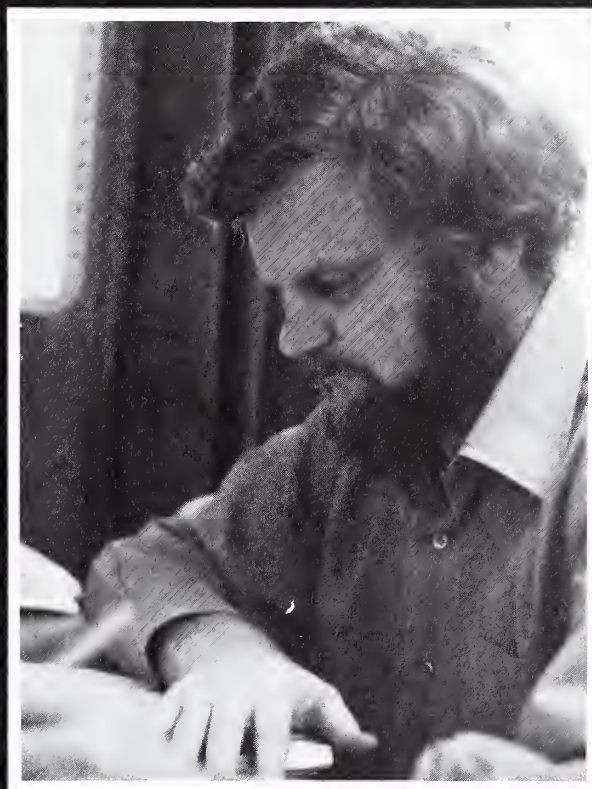

Instructor Judith Moore Tyler taught Licensed Practical Nursing at BHE. She received her diploma from Cottage Hospital in Galesburg and her bachelor's degree from Knox College. In addition, Mrs. Tyler studied further at Western Illinois University. She formerly taught at Carl Sandburg College and Yale in the Department of Radiology. She also worked at Yale's New Haven Hospital in the cardio-vascular recovery room.

In addition to her teaching position, Mrs. Tyler was involved in the Illinois Nurse's Association and participated in the Faculty Senate as Chairperson. She feels that BHE is fortunate to have such a small enrollment as it enables faculty/student relations to be much improved.

**MR. CURTIS HULTEEN**  
Psychology

Associate Professor Curt Hulteen feels that Black Hawk East has a good size and a "brilliant staff", but the main disadvantage of the college is the placement of the parking lots. Mr. Hulteen taught all the Psychology courses at BHE. He received his B.S. and M.S. degrees from Illinois State University and has done additional work at Southern Illinois University.

In his spare time, Mr. Hulteen enjoys working around the house and playing shuffleboard at Ann's on Friday nights. He is also President of the Henry County Association for Mental Health and Secretary of the Spoon River Mental Health Center, Inc.

**MR. LARRY DIVERS**  
Speech and Communications

"Mr. Communications", Lawrence T. Divers, is the Speech/Communications Instructor. He taught Introduction to Speech-Communications, Principles of Effective Speaking, Communications 100, and Introduction to Mass Communications.

Mr. Divers received his B.A. with a double major—English and Speech—and his M.A. in Speech Communications from Illinois State University. Before coming to BHE, he was the coordinator of contracts and concessions for the Seattle Center in Seattle, Washington.

"Mr. Communications" related that he enjoys water and snow skiing and handball (and other activities not available for "public information"). He feels that the problem facing all individuals in our society is "the ability to cope with the present state of our global society".

# Reading Skills Center Opens at B.H.E.

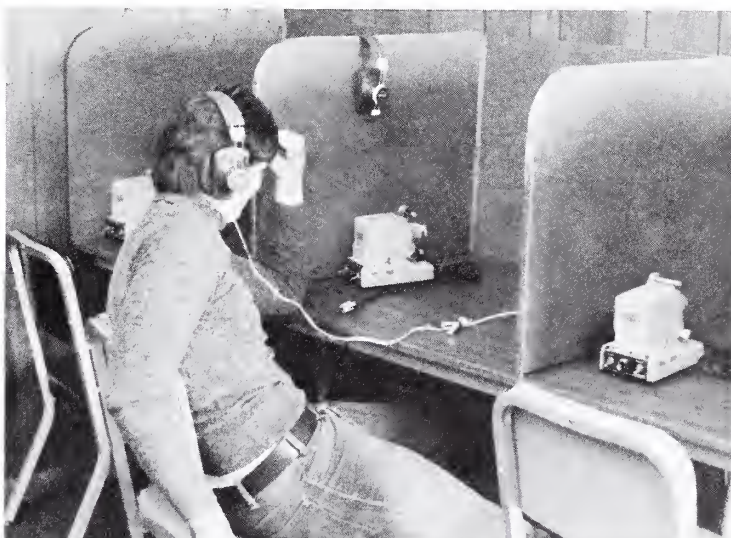

... a new addition to the BHE curriculum was the Reading and Study Skills Center in February. Mrs. Kathie Driscoll operated the reading and study skills workshop, which was open to all students. The workshop's purpose was two-fold. First, it was there as an aid for individuals in need of help for such problems as inefficient study habits or a reading disability. Anyone who was having difficulty in school due to those or related reasons were encouraged to enlist Mrs. Driscoll's help. Second, it was there for people who wished to improve their study skills. Programs to increase reading rates and levels or reading comprehension were available. In addition, Mrs. Driscoll was the instructor of English 103, College Reading Skills, which was two credit hours. Independent study courses were available with up to four semester hours credit ...

# They Cheered Their Way into Our Hearts

... A busy year began for the cheerleaders with practice before try-outs, which were held before several judges, including past cheerleaders, faculty, and students. What an experience! The five girls chosen to lead cheers for BHE were Debbie Cronau, Sue Hanson, Connie Hill, Carol Strange, and Jackie Swearingen. They were aided greatly throughout the year by their sponsors Beth VanNieuwenhuyse and Dr. DeCabooter.

With only a short time before the first game, the cheerleaders frantically sent for new uniforms and attended a one-day clinic at Illinois State University in Normal. Thankfully, the clinic was very informative and the uniforms arrived in time for the first game.

During the year the cheerleaders made and sold almost 400 BHE "We Can Do It" buttons and had a bakesale to raise funds. Signs were made to hang in the Armory and, with the encouragement of Captain, Connie Hill, new cheers were attempted.

A lot of hard work, time, understanding, and tears, along with a great basketball team, made it a rewarding year for the cheerleaders ...

# Latest Fad Hits BHE — Streaking!!!

... on March 8th at BHE, around noon, students began to line-up in front of the windows. Word got around that streakers were going to take a jog around the campus. The art of streaking involves the removal of one's clothing except for the bare essentials—shoes and socks. Would the streakers really venture out in the rain this noon? The students waited. Suddenly out of a foggy rain came a van. The doors opened, and before anyone could yell "Streakers!" the five streakers were out of the van and jolting around the campus courtyard. Of course, the weather was a bit wet outside, so after passing around the campus the streaking group ventured into Building #1 to dry off. Upon leaving Building #1 the streaking group departed from the BHE campus never to be seen again ...

Yearbook 24

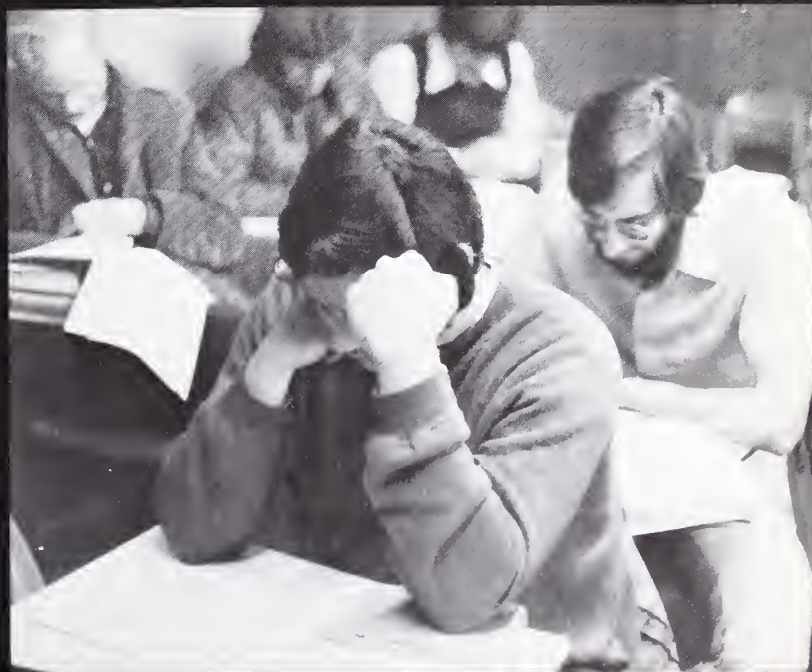

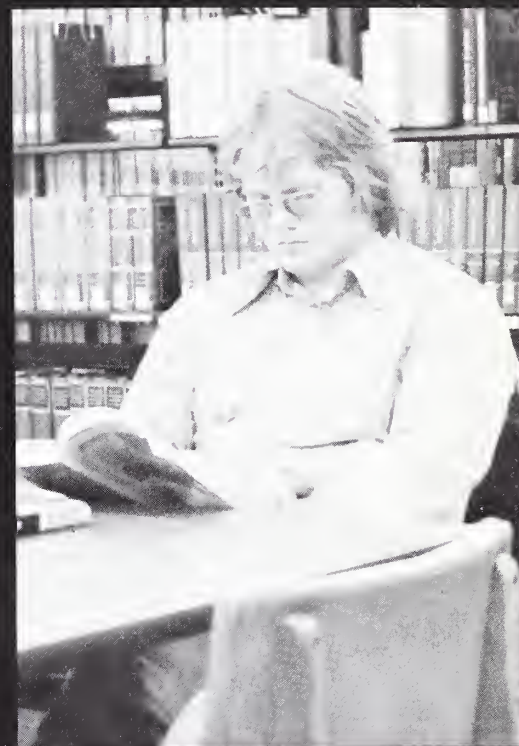

... "Memories light the corners of my mind. Misty water color memories of the way we were. Scattered pictures of the smiles we left behind. Smiles we gave to one another for the way we were. Can it be that it was not so simple then. Or has time rewritten every line? If we had a chance to do it all again, tell me, would we? Could we? Memories may be beautiful and yet what's too painful to remember we simply choose to forget. So it's the laughter we will remember, whenever we remember the way we were. The way we . . . were".  
...

—from the Columbia Picture,  
Rastar Production of "The  
Way We Were"

... the year has too quickly come and gone  
 ... it doesn't seem possible that the moments  
 could have disappeared so quickly ... but we  
 can't turn back the hands of time ... we can  
 only look back through these pages and re-  
 member the events of this year ... some were  
 happy times ... others were sad times ... many  
 were busy times ... and others were quiet  
 times ... we shared one school ... and one  
 year ... but we each had differing purposes  
 ... we came to grow ... to learn ... to enjoy  
 ... to live ... to love ... and ...
